

**Amendments to the Specification:**

Please replace the paragraph beginning at page 1, line 2 with the following rewritten paragraph:

This application is a Continuation of U.S. Patent Application Serial No. 09/876,516, filed June 7, 2001, which claims the benefit of U.S. Provisional Application Serial No. 60/210,650, filed on June 9, 2001, entitled BASEBOARD WITH INTEGRAL SIGN AND METHOD FOR ITS FABRICATION.
